CFSSC envisions strong, caring, healthy communities where families and individuals are empowered to reach their potential in spirit, mind and body.

## Your community needs your expertise.

The Board of Directors of Catholic Family Services of Simcoe County is currently recruiting several new Board Directors to launch this well-respected organization into its next 40 years of healing and strengthening individuals, families and communities across our region.

Our Board has primary oversight and strategic responsibility to ensure that CFSSC fulfills its mission, strategic goals, and to realize its opportunities and obligations for service. We are currently seeking Directors at an executive level with a mix of competencies and perspectives to support and advance CFSSC's performance, and achievement of its mission and vision.

We encourage applications from diverse communities across Simcoe Muskoka, and with specific expertise in one or more of the following areas: Finance/Business, Legal, Fundraising, Government, Human Resources, and Social Services.

Board Directors serve a three-year term (with a second-term option), and participate in regular professional development and networking opportunities.
